## INVITATION TO OUR IN-HOUSE EXHIBITION

25 - 28 JUNE 2019  
IN LÖRRACH, GERMANY

**IPS**  
2019 INTERNATIONAL  
PARTNERS IN STEEL

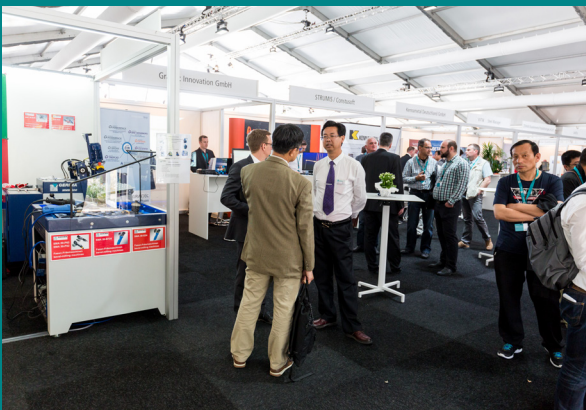

# INVITATION TO THE IPS 2019

**WORLD PREMIERES · DEMONSTRATIONS · 40 CO-EXHIBITORS · DIGITIZATION · NETWORKING**

The International Partners in Steel Fair (IPS) is the main event of 2019: Watch live demonstrations of the latest manufacturing technology, expand your knowledge with practice-oriented talks, take part in exclusive guided tours to learn about best practice. In this forward-looking sector, tomorrow's technologies and trends take centre stage. So at this year's event we will also be making space and time for sharing ideas and experiences. And not forgetting our fascinating program of fringe events, where successful, sustainable networks are created and developed at every IPS.

IPS 2019 is the market place for steel experts and presents an attractive support program enabling visitors the opportunity to network successfully:

- ▶ Sheet metal, pipe, profile processing
- ▶ Handling, intra logistics
- ▶ Separating, cutting
- ▶ Surface treatment of metal sheets and profiles
- ▶ Connect, welding, fastening
- ▶ Forming
- ▶ Tools

## AT A GLANCE:

- ▶ Exhibition dates: 25 - 28 June 2019
- ▶ Open daily from 9.00 am - 4.30 pm
- ▶ Location: Lörrach, factory site KALTENBACH in D-79539 Lörrach
